SUBJECT: How I Made Myself A \$Millions Photographer

When I was 21 years of age, in the quest to make myself a fortune out of my passion in photography, I started my own photography business behind my father's house in [location]. With just one camera, few gears and 10 employees of whom three are my siblings, I built what has now become a 10 Million Dollars Photography Business in less than 5 years.

There is no magic in making this happen. I want to share with you how I made this possible in the video available in the link below
